Dear Rusty,

Just wanted to say a special THANKS - to you and to Chuck,  
for working so hard in helping our church install the  
Sunday School partitions.

The rails and curtains have worked perfectly, and have  
accomplished just what we had hoped.

Knowing how small a job it was, and yet how you worked so  
hard to be sure it was done right - makes it all the more  
special.

THANKS!

In Partnership,

  
David T. Nelson,  
Pastor
