**Re: Christopher House, 4303 North Kenmore**

Dear Mr. McWherter:

Thank you for meeting with us this morning to review your company's work on the above project. As we discussed, I was generally pleased with every aspect of your workmans' performance, noting that attention to the small items on the project had been given generously. During our walk through, we composed a short punch list which is attached here for your reference and use. As soon as we receive the necessary payment request documents, including sworn statement, weekly labor reports and waivers, from your office we will attach our certificate and forward the request to the owners.

Once again, it was a pleasure to work with Staalsen Construction Company on our day care remodeling project. We look forward to working with you again and to our continued association.

Best regards,

John Tomassi, AIA

attach.
