Dear Chuck:

Greetings in the precious name of Jesus. I hope this letter finds you doing well. I just wanted to thank you and your company for the outstanding work that you did in building our new church facility. Church members, family, friends, Pastors, as well as neighbors of the church are quite impressed with the quality of the work and the beauty of the new church facility. I also thank you for your willingness to help our church during this project. You are greatly appreciated. Just as your corporation was highly recommended to us by Dr. E.R. William, Jr., we have and will continue to highly recommend you to others. May God continue to bless you in a great way.

Sincerely yours,

Rev. Raphael Bryant
Church Project Manager
