Dear Mr. McWherter:

On behalf of the Anniversary Steering Committee, Martin Temple's Congregation and Pastor Jarrett, let me offer our heartfelt thanks to you and the Staalsen Construction family for keeping our "Vision" alive. By the grace of god, our first anniversary celebration was a marvelous success. Not only did we obtain our financial goal, but the week's events engendered a spiritually filled journey of faith for all involved.

To highlight our special week of services, a special Commemorative Journal was commissioned to chronicle the many blessings we received during our first year in our new edifice. I have enclosed a copy for you to share with your company.

Again, please accept our warmest thanks for helping us actualize "The Vision That Embraces Faith."

Best regards,

Ardell S. Young, Co-Chairperson
Finance Committee
