

North Shore Chinese Christian Church

1250 North Waukegan Road, Deerfield, IL

Out of ground construction of two, two story wing additions, and extensive remodel/renovation of existing building including gathering lobbies, gymnasium and multi-purpose room, warming kitchen, administrative floor, adult education floor, children's education floor, and all new parking and site work.

Staalsen provided preliminary schematic design work and preliminary budget estimates, and then worked with the Architect to develop schematic designs into working drawings that could be built within budget.
